

Reflective Address Markers

Are available from the Fire Co!

**Help us find you in an emergency, when seconds count!
Post your numerical address in front of your home or business.**

This durable aluminum, double sided; reflective markers can be purchased by filling out the above form and mailing it along with your check to the Fire Station. You can now get a directional arrow on your marker. This is an added feature if you live on a long lane or private road and 2 arrows per marker are only an additional \$2. Vertical signs are limited to 3 letters with an arrow, horizontal is limited to 4.

The markers meet Conewago Township and many surrounding municipalities' ordinances for posting your numerical address in front of your house.

Not only do the signs look good and last long and they comply with local ordinances but also you can help support us with your purchase! We will call when your sign is ready to be picked up at the Fire Station or we can deliver it for an additional charge.
